At the 2017 Dean and Deluca Invitational, The First Tee of Fort Worth participant, Calista Lothliam, was this year's award recipient of The Ben Hogan Mentor Scholarship.

The Ben Hogan Mentor Scholarship is a 4-year full scholarship (tuition, books, and fees to Texas Wesleyan University for participants at The First Tee of Fort Worth. The scholarship also includes access to a mentor during their time in college.

Calista shared her comments regarding The Ben Hogan Mentor Scholarship with me at the Pro-Am on Wednesday. She felt blessed to have this opportunity and it is going to further her education especially since she plans to pursue medicine. Calista is looking forward to going to Texas Wesleyan and will be majoring in Pre-Med. "I am thankful for all the many people that have helped me along the way my parents, uncle, and The First Tee of Fort Worth.", she said.

Calista commented on how The First Tee will continue to push her to do her best and help her stay connected in the organization.

Calista has been a participant in The First Tee of Fort Worth for many years, and has worked to implement The First Tee Nine Core Values into her life to set a good example for others. We know Calista will make people proud as she moves along in her journey through life.
