What is a Golf-A-Thon?

A Golf-A-Thon is a unique event where individuals and teams raise money based on pledges received toward the amount of holes they can play in a 12-hour period. Golfers can play **anytime between 7:00AM and 7:00PM** on the day of the event or they can accumulate up to 108 holes throughout the month leading up to the event.

How do I fundraise?

Using Pledge It, we make it easy for you to build your pledge site and provide you with electronic messaging and support every step of the way! We'll help you make those first steps to inviting colleagues, friends, family, golfing buddies, and many more to support your efforts! Your donors have the option to make a flat donation to your campaign or per-hole pledges online or by check!

Why support First Tee – Fort Worth?

Our mission is to impact the lives of all young people in our community by strengthening their self-confidence, resiliency, life skills and more, all through the game of golf and building meaningful relationships...who wouldn't want to be a part of that?! Through First Tee's Life Skills Experience and signature Core Values, we're working to instill life enhancing values and critical skills that encourage leadership, build character, foster community service and promote wellness - skills necessary to be able to succeed now and in the future!

Does my score matter?

No way! The only thing we're counting is the number of holes you play! So don't worry about the rules, just play fast and count each hole you complete! Plus, we'll have a dedicated team to help you keep track along the way!
